

# MILK FROTHER

*with removable glass jug*  
For milk froth in barista quality

## ROMMELSBACHER

The attractive MS 625 milk frother with removable glass jug perfects the convenient preparation of cold or hot milk froth. Whether made from cow's milk or plant-based milk alternatives, it can be used to make classic and contemporary coffee delicacies as well as the latest barista trends. Thanks to the universal agitator which can be removed for easy cleaning, this milk frother offers 5 practical functions for milk & milk alternatives: hot milk froth either firm and fine-pored or creamy fine for cappuccino, latte macchiato & co, cold milk froth for frappé, hot stirred milk for caffè latte or chai latte and gently stirred hot chocolate. The MS 625 brings versatile coffee specialties and more to your home or office and can also be taken on vacation. The glass jug is removable, cuts a fine figure even at the table and is easy to clean at the end. The 'easy-to-use' operating concept with a button for program selection, a start/stop button and clear LED indicators as well as automatic switch-off make it intuitively easy to use. The best operating safety is ensured and the fact that all removable parts can be put in the dishwasher makes the user-friendliness perfect. Not only coffee fans will love this sophisticated, handy milk frother from ROMMELSBACHER, which impresses with its top performance!
